For teachers

The Hebrew Studio

Our free sample pages come from two full Hanukkah books. Here's what's in each book, and how you can use our books in your classroom.

The two books

- **My Hanukkah Activity Book**, for ages 4–9 (37 pages): Hebrew letters, the dreidel game, coloring pages, puzzles and seek and find.
- **Beyond the Dreidel**, for ages 9–13 (30 pages): primary sources, Hebrew puzzles and a crossword.

The free sample pages are for personal and family use. To use our pages with your class, you need a classroom license.

For your classroom: Hanukkah in the Classroom

A ready-to-teach Hanukkah unit for grades K–7: a 31-page teacher guide plus two activity books.

Each lesson lists a K–3 track (Book 1) and a 4–7 track (Book 2), so one plan works in a mixed room or a single grade.

- Station rotation guide with 6 station signs
- Hebrew bingo: caller sheet and 8 cards
